FOREIGN AGRICULTURAL SERVICE  
WASHINGTON 25, D. C.

FAS FIELD INSTRUCTION NO. 17  
February 27, 1957

SUBJECT: Information regarding attache arrival in Washington, D. C.

---

Before leaving your post for home leave or consultation, be sure the Department is informed, preferably by OM, or cable if necessary, of your scheduled departure date, mode of travel, port of entry, and expected date of arrival in Washington. This information is important in order that medical and other appointments may be scheduled for you prior to your arrival.

In most cases travel authorizations cover consultation in the Department both before and after your home leave. This means you should report to Washington as soon as practicable after entering the United States.

If hotel reservations are desired, information should be given as to the type of room desired and the number of persons to be accommodated.

Distribution: List A (incl. Agricultural Attaches)
